To Whom It May Concern,

This is to confirm that the company Integra Assessoria em Idiomas, under the management of Patrick I. Savatovsky its Technical Director, specializes in the translation of technical literature in the field of Electronic Security with emphasis on CCTV. Integra has been working with us for many years in the translation and publishing of technical literature for our products in the Brazilian market place.

The high degree of flexibility and responsibility of this company in meeting the required technical accuracy for our continuously developing technology, as well as the required deadlines is outstanding and we highly recommend this company for any type of technical translation related to the field of Electronic Security.

Sincerely,
